TITLE: METHOD AND ARRANGEMENT FOR PREDICTING MEASUREMENT
DATA USING GIVEN MEASUREMENT DATA

Assistant Commissioner for Patents,
Washington D.C. 20231

Sir:

In accordance with the provisions of 37 C.F.R. 1.56 and the requirements of 37 C.F.R. 1.98, Applicant respectfully requests that a citation and examination of the references identified on the attached PTO 1449 form be made during the course of examination of the above-identified application for United States Patent.

The present Information Disclosure Statement is being filed according to 37 C.F.R. 1.97(b) and before the latter occurrence of:

- (1) three months from the filing date of a national application;
- (2) three months from the date of entry of the national stage as set forth in 37 C.F.R. 1.491 in an international application; or
- (3) the mailing date of a first Office Action on the merits.

REMARKS

The attached PTO 1449 form lists related art references identified in the International Search Report for the above-referenced application and includes additional related references related.

EXPLANATION OF RELEVANCE

References AJ, AK and AQ-AS were identified in the International Search Report. The relevance of reference AT was discussed in the Specification, and references AL and AU provide background information. References AK and AL are German language patent documents. Translations of the abstracts have been

provided, and a full translation of the references will be produced at the request of the Examiner.

The filing of the present Information Disclosure Statement is not to be construed as a representation that a search has been made, and is not to be construed as an admission that the information cited in the present Information Disclosure Statement is, or is considered to be, material to patentability as defined in 37 C.F.R. 1.56(b).

The above citation of related art is not a representation that such art constitutes a complete or exhaustive listing of all pertinent related art, nor that it necessarily includes the closest or most relevant art. The aforementioned citation comprises a voluntary citation of related art of which applicant and his attorney are presently aware and is not intended to serve as a substitute for the Examiner's own search.
